A Time to be born,
and a Time to die.
A Time to plant, and a
Time to pluck up
that which is planted.
A Time to kill,
and a Time to heal.
A Time to destroy,
and a Time to build.

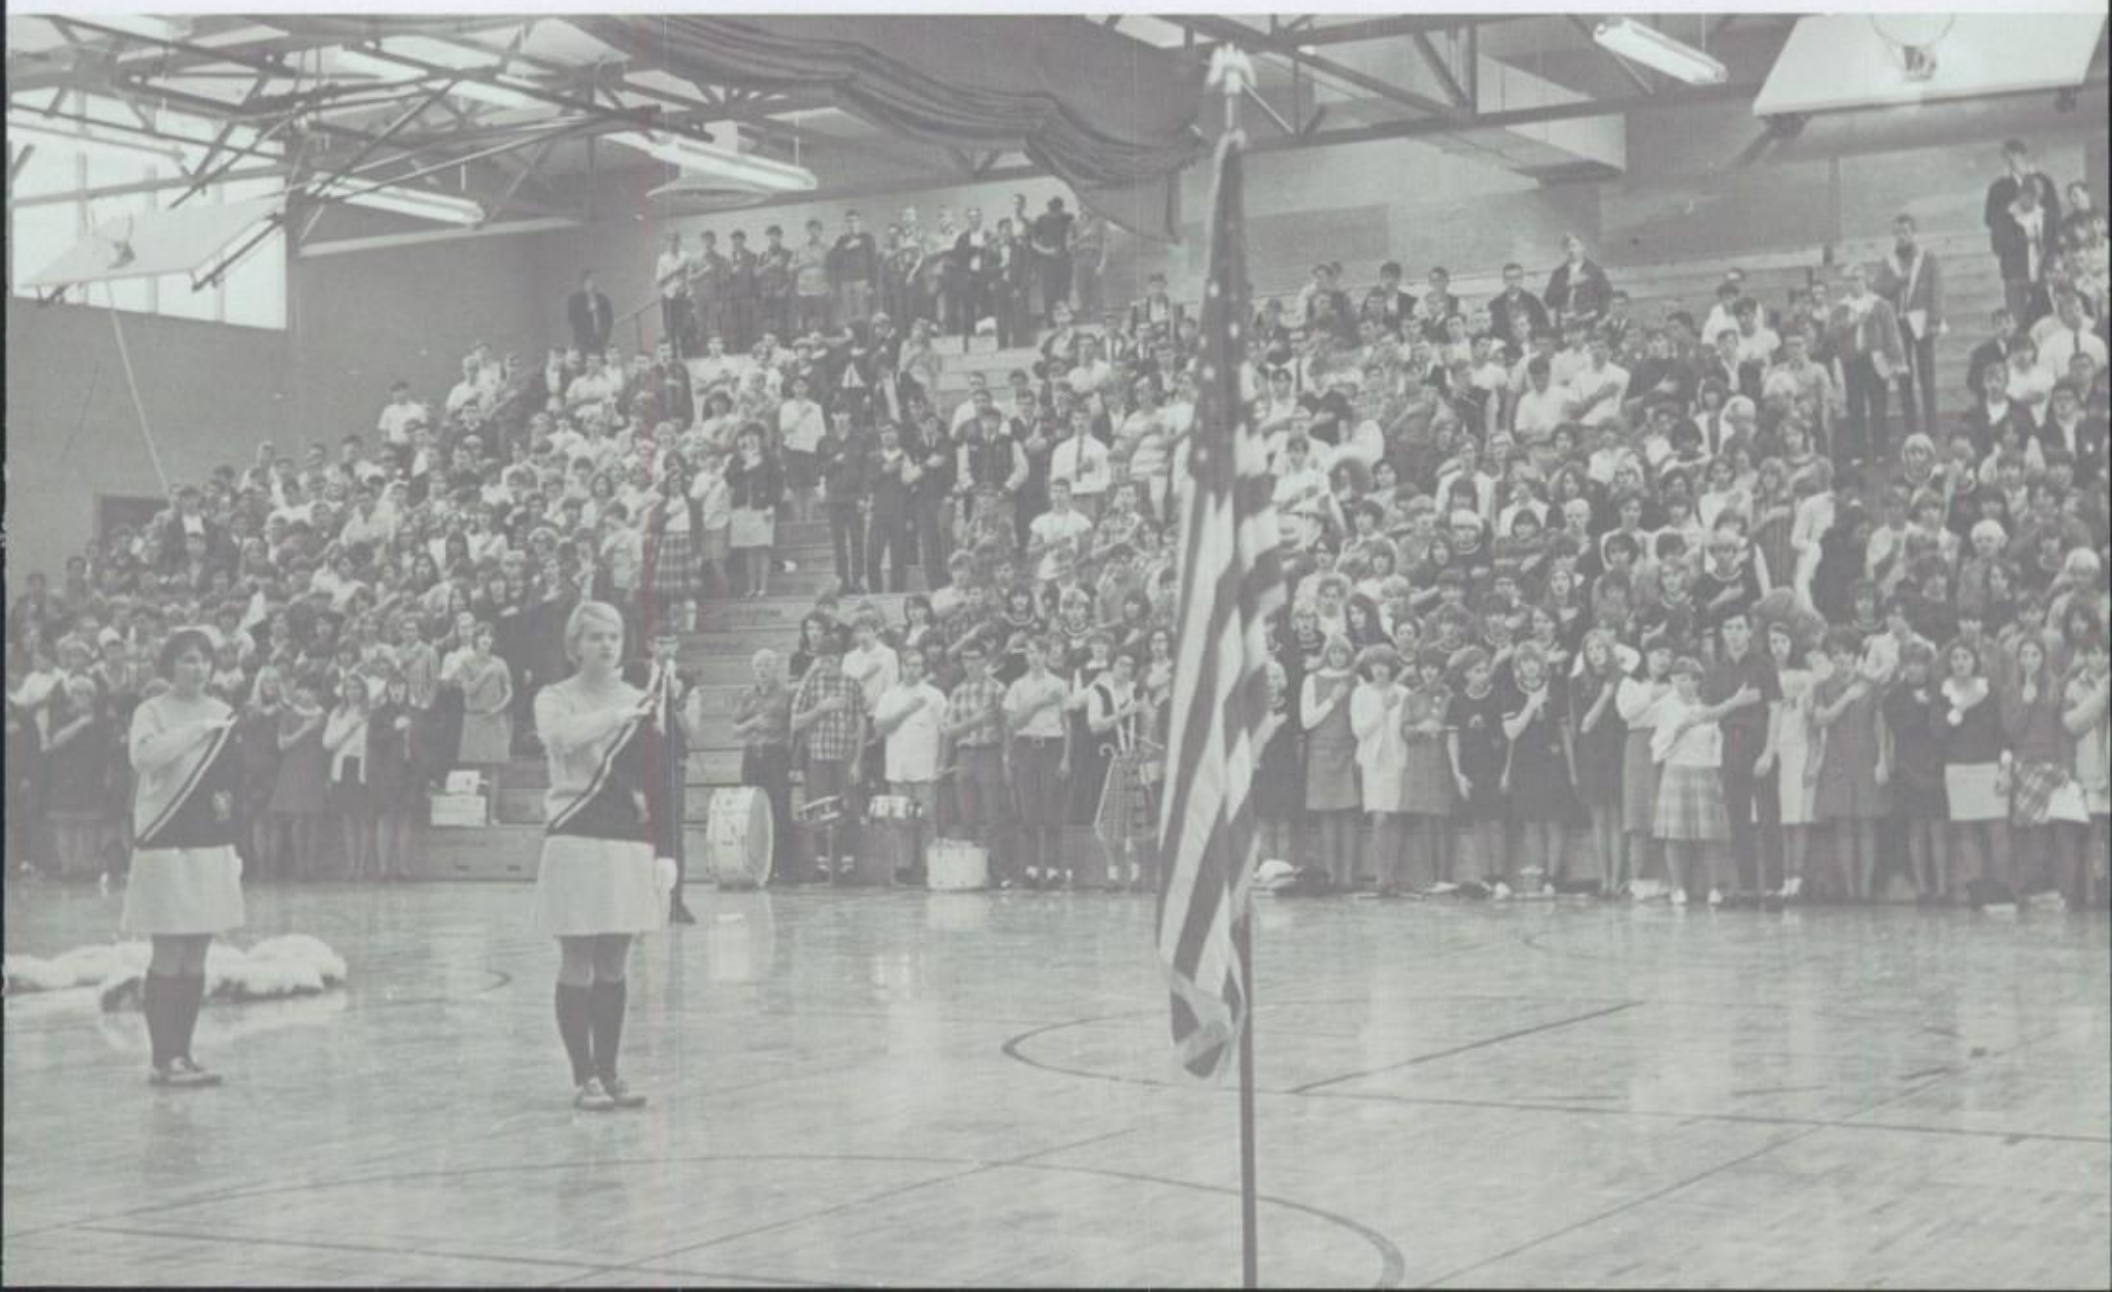

A Time to weep,
and a Time to laugh.
A Time to mourn,
and a Time to dance.
A Time to scatter stones,
and a Time to gather.
A Time to embrace, and a
Time to be far from embrace.

A Time to get,
and a Time to lose.
A Time to keep,
and a Time to cast away.
A Time to rend,
and a Time to sew.
A Time to keep silent,
and a Time to speak.

A Time of Love,
and a Time of Hatred.
A Time of War,
and a Time of Peace.

New Administration

VICE PRINCIPAL
GEORGE WORTHINGTON

Above: Mr. Tom Poe, Superintendent of Schools. **Left:** Betty Wheelock, May Nichols, secretaries.

This year E.H.S. acquired a new administration. Much too often these people were overlooked. They worked hard behind the scenes to operate our

school. Few realize that without them there would be no E.H.S.

SCHOOL BOARD. Below, Left to Right: Cleetis Watson, Don Hugdahl, Leo Harderson, Robert Abramson, Dwight Garrett.

Above: Mr. John Thompson, District Director of Special Education.

FACULTY

Teachers,
Bless their loving hearts,
Are sometimes wonderful,
Sometimes great,
Sometimes a problem.
But where would we be
Without them?
They counsel, listen,
React, stimulate.
Some electrify us
With enthusiasm;
Others produce
A contagious desire to learn.
They are more than teachers,
They are partners
In knowledge.

In an age of fops and toys,
Wanting wisdom, void of right,
Who shall nerve heroic boys
To hazard all in Freedom's fight-
Break sharply off their jolly games,
Forsake their comrades gay
And quit proud homes and youthful dames
For famine, toil, and fray?

Yet on the humbler air benign
Speed nimbler messages,
That waft the breath of grace divine
To hearts in sloth and ease.
So nigh is grandeur to our dust,
So near is God to man,
When duty whispers low, Thou must,
The youth replies, I can.

STUDENT COURT. Front Row: J. Ingram, M. Flothe, L. Syverud, S. Fugate, J. Alsgaard, M. McLean, S. Raybell, L. Schultz, V. Emry, P.

Carlson. **Back Row:** D. Wagner, M. Gleason, G. Gunderson, P. Biege, M. McDougall, T. Watterson, F. Gramann.

Class of '68 Turns Effort Into Success

"Senior" means a lot more than just being in your last year of school. It also means fun ... responsibility ... leadership ... work ... friendship. The Class of 1968 has reflected all of these, and more.

We started our years at EHS in the fall of 1965. As sophomores, we were considered the underdogs of the school, though we worked long and hard to prove ourselves worthy of Enumclaw High. Our class officers, Fred Gramann, president; Don Henrichs, vice president; Lenard Hanson, secretary; and Mark McDougall, treasurer, led the class in its efforts for success. The highlights of the year were a pickle sale, a car wash, and sponsoring an after game dance, followed up by the Sophomore Hop, "The Hungry Eye."

When our junior year started, we were ready to work even harder for our school and our class. The class officers for that year were Pete Biege, president; Tom Watterson, vice president; Gail Halkjar, secretary; Cathy Gillis, treasurer; and Patsy Duchateau, historian. Mark McDougall represented the juniors as SBA vice president. The main event of the year was the Junior Prom, "The Isle of Golden Dreams." Much time and effort were also devoted to other class activities, and our Junior Paper, "The '68 Corrupter," was one result of our enthusiasm and support of our class.

Then we were finally seniors. All the time and work spent previously were forgotten as each of us was caught up in the excitement of our senior year.

Every day was filled with either furious work and planning or patient waiting for graduation.

Gordy Gunderson was selected president of the senior class, along with Don Henrichs, vice president; Lydia Bonnema, secretary; Mark Anderson, treasurer; and Judy Hogerhuis, historian. Mark McDougall was chosen SBA president for the year, and he received much support from the other two senior SBA officers, Mary Kay McLean, secretary, and Pete Biege, treasurer. Homecoming '67 was a special event for the seniors, especially for Queen Gayle Heidenrick and King Gordy Gunderson. The court, Mark McDougall, Mary Kay McLean, Lenard Hanson, Gail Halkjar, Pete Biege, Anne Hoffman, Don Remien, and Joliene Alsgaard, helped make "Arches of Triumph" a great success.

Senior pictures, announcements, and college entrance exams soon occupied much senior time. During the year the seniors sponsored an after game dance, sold class pins for sophomores, juniors, and seniors, held a car wash, and did their best to make their senior year successful.

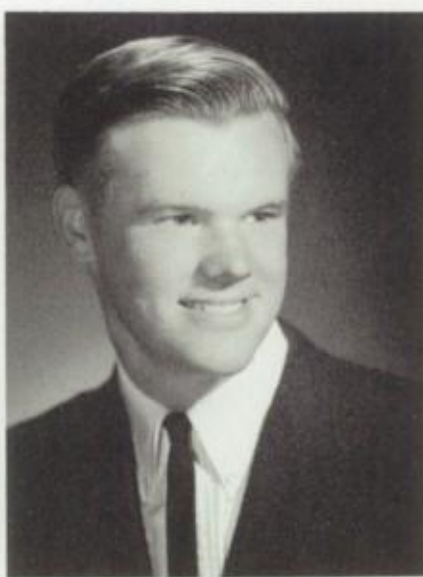

The year ended in the spring with the Senior Ball, the Junior-Senior Banquet, Baccalaureate, and Graduation. After the festivities, each will go his or her separate way with his own memories of EHS. The Class of '68 would like to say "thank you" to all the counselors, advisors, and teachers for helping us through our years at EHS and for making our class one of the best yet!

Many new ideas for class projects and dances were discussed at the senior class meeting, held early in December. Graduation and college entrance exams were also two topics brought up by Mr. Radliff, senior class advisor.

The tough senior powder-puff football team proved the seniors had "superior" enthusiasm by beating the juniors 15-6 on November 11 under the lights at Pete's Pool.

Senior Drama of '68

Instead of the usual comedy, this year's Senior Class presented a play that involved serious thought, both on the part of the cast and the audience. The play is concerned with what life is supposed to be like in the year 1984. It is centered around Winston Smith and Julia, and how they become indoctrinated into the "Party". Winston goes through much severe pain and suffering while he is being tortured by the Party. A high point of his torture is the feared room 101. There he is confronted with rats, the one thing he despises most. Finally, Winston gives in, and the only emotion he is left with is love of the Party and Big Brother.

Under the direction of Mr. Lamoreaux, the play was a great success and helped the Senior Class financially. Because "Nineteen Eighty-four" was a drama, it took extra hard work on the part of the actors. Everyone concerned with the play spent many long hours after school and evenings at practice. They were well rewarded and received deserved recognition for a fine job.

Everyone helped to make practice run smoothly.

Marilyn Kravagna, Chris Snapp, Leslie Langdon, Steve Polson, and Dave Bock made up the cast in "Nineteen Eighty-four".

1968... An Olympic Year

Judy Nagel brought much pride to her country, community, school, and her own junior class as she represented the United States at the 1968 Olympic games in Grenoble, France.

No one even knew Judy had any chances of being in the Olympic games, including Judy herself. Then one day in January, Mr. Gorow announced that Judy was in France and would be on the United States' Olympic team.

As the opening ceremonies began, both faculty and students were glued to their television sets just to get a glimpse of Enumclaw's star athlete.

On February 13, Judy was skiing in the special slalom. She was racing against the top skiers in the world and had everyone's nerves on edge. In Judy's first run she was number one. The whole world looked on wondering if the "16 year old kid" could win the gold medal for the United States. Then, in the second run, Judy got a bad start and it was over. No one was more disappointed than Judy herself.

Two days later, Judy raced in the giant slalom. It was said she was still down from her first race, but she ended up 12th, still placing higher than any other American.

At the finishes, Judy was always seen with a big smile, chewing gum, and congratulating the other skiers on their fine runs.

Being her first Olympic games, everyone was very pleased with Judy's outstanding showing. No one in the United States will ever forget "little Judy Nagel" of Enumclaw, Washington, and we will all be watching for her in the 1972 Olympic games in Japan.

Above: Judy prepped last fall at Lake Tipsoe for the Olympic games.

CLUBS

High Ranking Scholars Form Honor Society

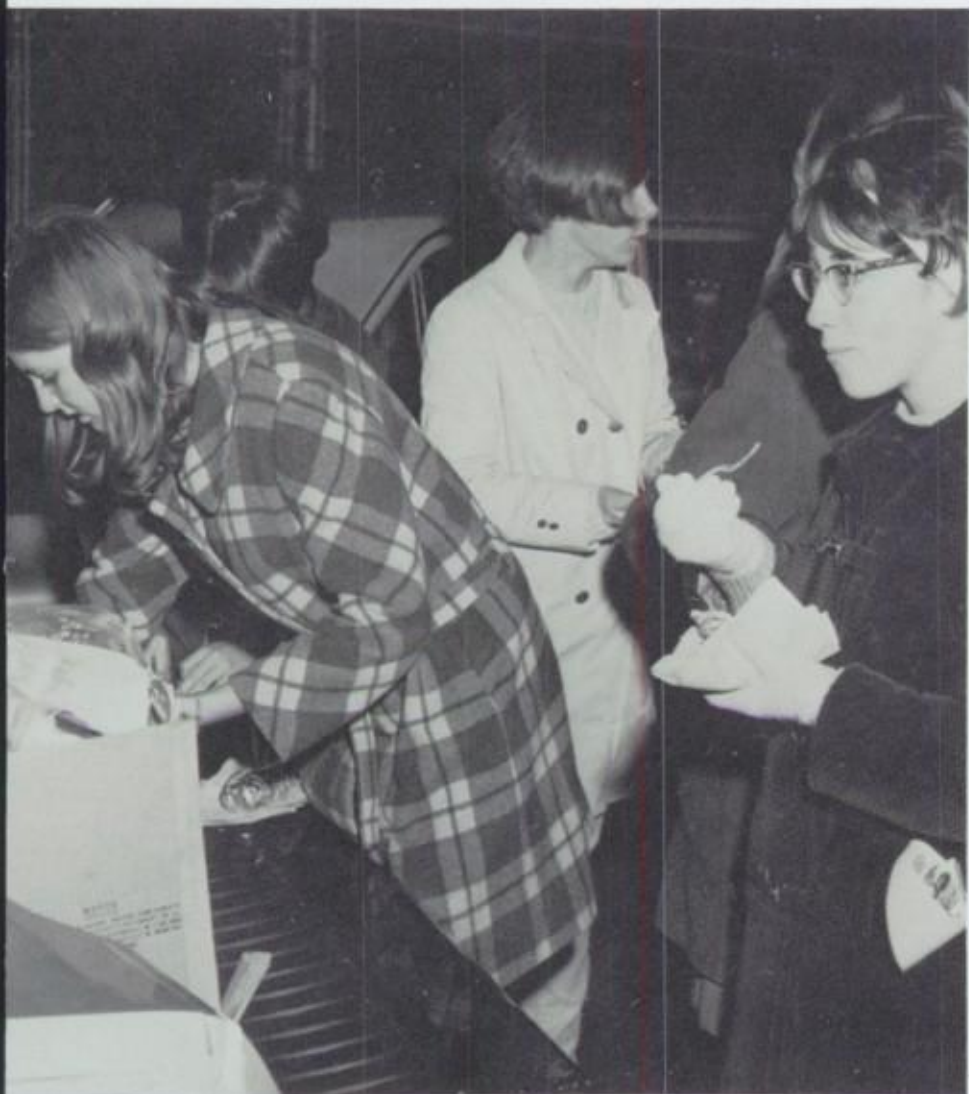

One of the purposes of National Honor Society is to recognize those students who are superior in scholarship, character, leadership and service. To apply for membership, students must earn and maintain a 3.2 grade point average. Sophomores who made 3.2 in the first semester can apply for membership. Before they become a member of Honor Society they are first screened by the entire faculty on good moral standards, willingness to serve their school and the acceptance of leadership for the betterment of their school instead of self recognition.

The frustrated but effective efforts of fifteen fifth-period students is displayed in this issue of the Cascadian. Out of tons of papers, pictures, and problems, has come an excellent representation of school-life at EHS. Writing, and rewriting of stories, drawing and redrawing of layouts before the final and most important copy could be presented to the American Yearbook Company for the final printing of pages were all a part of annual class.

Due largely to the pushing and prodding of the Co-editors Betsy Farman and Phyllis Gray, all of the six deadlines were met. The annual-workers also had help from photographer Dave Voss, who worked exclusively on the Cascadian pictures.

Time and much energy must be volunteered in order to have a well constructed annual. This year's staff could not have cooperated more in this respect.

The various categories of the annual were headed by the following people: Barb Moyer, Senior Editor; Vikki Coutts and Vickie Whitehouse, Associate Senior Editors; Marian Zink, Business Manager; Leslie Langdon, Student Life; Tim Howells and Rick Lindel, Sports Editors. Mr. Campbell was the advisor of the Cascadian for the eleventh consecutive year.

Enthusiasm and Hard

Nearly every other Friday, sixth period was brightened by the handing-out of the HORNET. The 21 journalism members increased their regular output to eighteen newspapers this year, at least four issues more than the usual yearly number.

Some of the new or improved attractions in the HORNET were: Don Henrichs' cartoon "Sid, the Super Senior," Letters to the Editor; Sports coverage (Hanson's Highlights); and well-done picture coverage.

Marilyn Flothe was the editor and she and a capable staff managed the production of the paper from assignment to final paste-up. Mr. Campbell was the publications advisor, and with his and the students' help, the HORNET enjoyed a successful year.

Mr. Walden, director.

For the band a major highlight in their year was the purchase of new blazers. The band members put forth much effort towards earning enough money for the blazer purchase. Money raising projects ranged from the operation of food concessions at the home football and basketball games to the selling of Enumclaw High School decals. Band members also donated some of their summer time operating a food concession at the King County Fair.

Although the band members were kept busy at the football and basketball games selling food and playing in the stands, they still found the time and energy to put on fine half time performances. During the basketball season the Pep Band added much vitality to the pep assemblies and the home games.

The new blazers arrived in time for the annual Fall Concert held on November 22 and members wore them in public for the first time that night. The Christmas Concert was held on December 18 in the Junior High auditorium for the general enjoyment of the public.

Spring was an extremely busy time for the band. They traveled to Peninsula on February 29 for the Seamount League Festival and to Tacoma Junior College on April 26 for the league Contest. They also performed at the District Band Festival. On March 5 an exchange assembly was made with Tumwater. The most memorable trip for the Band was the exchange assembly they made with the Chorus to Port Angeles on May 10.

Pep Band added much spirit to the home games. Here they are between numbers at the Enumclaw-Tumwater game.

Good Times Will Be Remembered

A cabinet of nine inspired girls and the advisor, Mrs. Hildebrand, supported the many Girls' Club activities. Good times together will be long remembered. Girls' Club made approximately \$50 at the summer car washes to help pay for the new military uniforms. A necklace was inherited by each girl of the month and her talents were displayed on the bulletin board outside the cafeteria. The Boys' Club officers were forced to roll the peanuts across the gym floor after losing to the Girls' Club in the Christmas food drive. A style show was presented by Dorothea King's and a panel of boys made comments on them. Couples learned how to square dance at the Box Social that was held to make money to get a good band for the Tolo. The Father-Daughter dinner, the Gal-Dal dinner, and the class teas were the big events of the year, too. The installation of new officers in the spring and the Tolo brought the busy year to an end.

On the Wings of Service

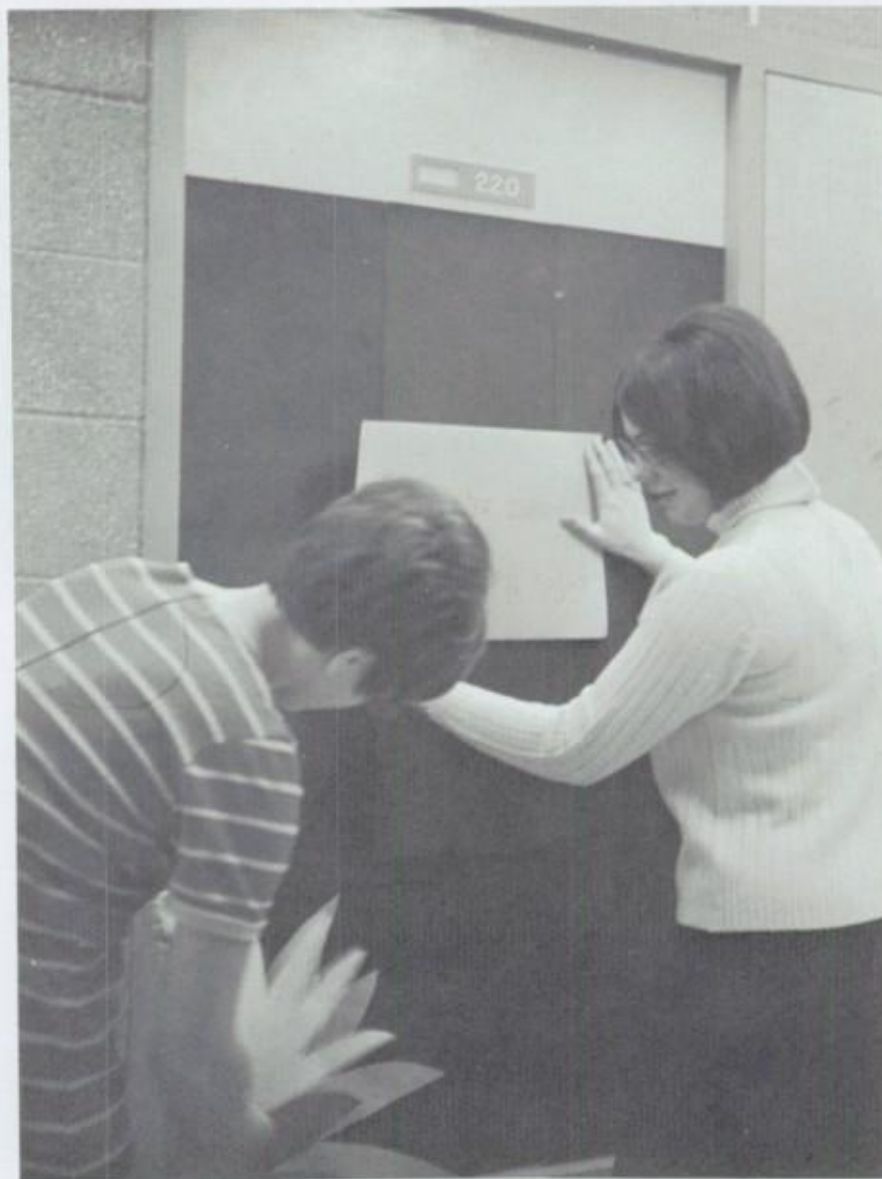

The goal of the Social Service Club this year was to perform service for the betterment of EHS. Early in the year they profitted from a carmel apple sale and helped to sell the Hornet pillows.

Throughout the year the girls kept busy by decorating the bulletin boards and cleaning the trophy case every month. These girls also served and made the food at the Homecoming luncheon. They served at all sports banquets, at the teachers banquet at the beginning of the year, and at the teas.

A cookbook was made out of the favorite recipes of each girl and put on sale.

To be in Social Service Club a girl had to have fifty points by December. At the Girls' Club Installation the top ten girls in Social Service Club were awarded with pins.

Under the leadership of the advisor, Mrs. Hildebrand and the president, Vicki Emry, Social Service Club had a busy but prosperous year.

Girls Letter Club encouraged girls to participate in sports and to develop their sense of fair play as well as their athletic skill. This year membership numbered close to seventy girls.

GLC met after school on Tuesdays in the gym and participated in sports such as football, volleyball, bowling, basketball, badminton, gymnastics, and track and field. They also participated in league playdays.

A main goal for the members of GLC was to earn their school letter. Each girl must have compiled a total of points which they earned by participating in after school sports and playdays.

This years GLC cabinet included Sharon Raybell, president; Barb Kuehn, vice-president; Kathy McDougall, secretary; Diana Vinci, treasurer; and Mrs. Green, advisor.

The club's activities during the year included a cupcake sale, sale of Hornet pillows, and participation in league playdays. They were responsible for the beautiful Homecoming throne and they also planned a Father-Daughter Banquet.

Many action-packed basketball games were played during the six weeks GLC spent playing this sport.

Nurses' Club Lends A Helping Hand

Each year the girls in Nurses' Club donate much time and devoted effort towards helping the people in our community. They served at the Community Memorial Hospital, Bethesda Manor, and the Rainier School, where their cheerful smiles were appreciated by all.

All of the girls must have enrolled in a special Red Cross training course given after school three times a week for a period of three weeks. This course prepares the girls for the tasks with which they will be faced when they begin working.

Under the leadership of their president, Jean Retzlaff, the girls were very active. Projects such as a brownie sale and sponsoring a dance were successfully carried out. During the summer the girls earned over \$100 selling Pepsi at the King County Fair.

Although the Enumclaw High School Boys Club was not busy this year, they were behind the school 100 per cent. Being half the population at Enumclaw, the Boys Club was well represented. Most of the boys had a great love for sports and if they couldn't participate, they rooted for the team. Among the many activities performed by the Boys Club this year, were the annual Christmas food drive against the Girls Club, and the traditional Boy of the Month.

The most active aspect of Boys Club was Lettermen's Club. To be eligible, a boy must have earned a varsity letter in at least one sport. Lots of time, dedication, and hard work went into their letter, and all lettermen received pride and admiration from the rest of the student body. In the spring of this year, new lettermen were initiated by the older members.

Art Club . . . Talent, Service and Fun

Art Club worked hard in promoting much spirit for EHS this past year. The main objective this year was to raise enough money to send two or more students of Art Club to Pullman, Washington, for one month to study in the field of art.

During the Christmas holidays Art Club worked busily painting school windows as well as windows of businesses downtown. To promote goodwill during the Christmas season, Art Club decorated boxes and filled them with various goodies, and gave them to the Veteran's home in Orting, Washington.

An annual pot luck dinner was held at Heather Waldron's house in November which proved to be a big success also.

Art Club is not a class and therefore is held once a week after school. It gives students a chance to show their ability in the field of art and also to be of service to EHS.

Art Club deserves much credit for the long hard hours of work volunteered for the betterment of EHS.

The students of DECA learned the fundamental principles of retail selling, advertising and buying. They learned through actual work experience in a store or other type of business organization in the community and through volunteer selling at the student store.

Under the leadership of Mike Gleason, president, and Mr. Mitten, advisor, DECA participated in a lot of money making projects. They started off the year with a caramel apple sale, then a bottle drive and a car wash. DECA was also paid ten dollars a month to run the student store. With the money they made the expenses for leadership conference were paid.

Right: The Student Store attracted a lot of attention.

Future Farmers of America was a National organization for boys who are enrolled in vocational agriculture. Its main purpose was to promote interest in agriculture and increase knowledge of modern developments in all phases.

Each member of FFA had certain duties to perform as a Future Farmer of America. Some of these duties were attending group meetings once a month, and having an animal of which they keep records and show at various fairs. The FFA sweethearts were picked each year, and they also took an active part in FFA. This year the boys picked Diane Halkjar, and Rosa Verhoeve for their sweethearts.

The FFA boys introduced a new sport to the high school this year, the Donkey Basketball Game, which was held on Jan. 22. The game was a hilarious, yet a profiting experience for the boys, with a record crowd of over one thousand people.

This show case was something the FFA boys were very proud of. It took many years to earn all of these awards.

Left: FRENCH CLUB OFFICERS: **Sitting:** Phyllis Gray, Sherry George. **Standing:** Peg Boerlage, Mr. Scott, Bonnie Krull, Debi Litvinenko.

Members of Foreign Language Club this year numbered close to seventy-five members. They met approximately once a month with their respective club officers in the French, German, and Spanish classrooms.

French Club had five officers in their cabinet this year. Their president was Sherry George, Phyllis Gray, vice-president; Peg Boerlage, sec.-treas.; Bonnie Krull, historian; Debi Litvinenko, publicity chairman; and the advisor Mr. Scott. German Club's cabinet consisted of Dave Eide, president, Vicki Emry, sec.-treas.; and Miss Whalen, advisor. This year Spanish Club was under the leadership of Don Kuzaro, president, Jim Kuzaro, vice-president, Martha Hansen, representative, and Mrs. Kallenbach as advisor.

The chief money making project for Foreign Language Club this past year was the selling of Christmas cards. The Art Club designed the cards and sold them to the Foreign Language Club, who, in turn, sold them to the public.

A big event for the club was the evening Christmas party held on December 12. It was held in the high school cafeteria from 7 o'clock until 9 o'clock and entertainment and refreshments were provided for the 80 people who attended. The evening ended on a happy note as everyone gathered around the lovely Christmas tree to sing traditional carols.

Other projects during the year included the annual Language Club Banquet, foreign pen pals, trips to foreign restaurants and films, and a special spring project.

The highlight of the Christmas season at E.H.S. was the party given by the Foreign Language club. The members enjoyed playing many games and tasting foreign refreshments.

One of the most active clubs at EHS is the Ski Club. Each weekend from January to April, Crystal is invaded by some eighty student skiers from Enumclaw. Four buses were provided by the school to make the 35-mile trip to Crystal each Saturday. Lessons were offered by Crystal Mountain Ski School for the first eight weeks of skiing. Many beginners and those who felt their skiing techniques could be improved took advantage of these lessons. Towards the end of the season, races were held so students had a chance to demonstrate their skills. Trophies were awarded to winners of each division.

Under the leadership of President Bob Breidenbach, Ski Club participated in a number of other activities besides skiing. In the fall, they again sponsored the annual used equipment sale. This sale gave people a chance to purchase equipment and others a chance to sell outgrown equipment. A car wash held at the Richfield station and sponsoring an after-game dance during basketball season were the main money-making projects. The money Ski Club earned throughout the year was put to good use as it helped finance a trip to White Pass.

Pep Club made money by selling potato chips at home basketball games.

Pep Club Means Spirit

Throughout the year, Pep Club girls were kept busy making their points by traveling to away games on the rooters buses, making posters after school, ushering, cleaning up after the home football and basketball games, and selling candy, snocones, ribbons, and pins. In addition they were required to go to some of the cross country and track meets, baseball games, and wrestling matches.

Every week, Pep Club honored an outstanding boy as the player of the week. These players were awarded with a box of cookies and a poster.

Through the joint effort of Miss Sondra Kuelper, the advisor, the officers, and the cabinet, Pep Club contributed much school pep and enthusiasm. They also encouraged the rest of the student body to participate, as well. Pep Club enjoyed a successful year and gained recognition as the top promoters of sportsmanship and spirit at EHS.

Chorus: Expression With Music

ODE

We are the music-makers,
And we are the dreamers of dreams
Wandering by lone sea-breakers,
And sitting by desolate streams;
World-losers and world-forsakers,
On whom the pale moon gleams:
Yet we are the movers and shakers
Of the world forever it seems

With wonderful deathless ditties
We build up the world's great cities,
And out of a fabulous story
We fashion an empire's glory:
One man with a dream, at pleasure
Shall go forth and conquer a crown;
And three with a new song's measure
Can trample an empire down.

Let There Be Song

A chorus is composed of varied emotions as well as many voices. It is a combination of determination, joy in singing, pride in performing well, and a sense of working together for a common goal. It isn't always fun. It requires diligent effort and much patience on the part of both student and teacher.

This year the E.H.S. chorus worked to become one of the most successful choirs our school has ever had. A major difference in the chorus this year was that there were two choirs formed. Sixth period was designated for the performing chorus and fifth period was for the "cadet choir."

A new group, the Madrigal Singers, was also formed from the members of the sixth period chorus. This group sang 16th and 17th Century selections at the annual concerts.

The highlights of the year were the annual Fall, Christmas, and Spring Concerts, the Seamount Festival and Contest, the annual Almond Roca sale, and the Choir trip to Canada, which was the most exciting of all.

This is Mr. Estby as he appears to his students every day. His mood varies, but his smile never wavers (?).

Did you ever have a day like this? These chorus officers are faced with difficult problems and much work as a result of the annual Almond Roca candy sale. The officers were Jewel Kennedy, vice-president; Sherry Schnur, historian; Fred Gramann, president; Joan Olson, secretary; and Beth Johnson, treasurer.

Front Row: Betsy Farman, Gayle Heidenrick, Debby Evans. **Back Row:** Vicki Varney, Sheela Fugate, Mary Kay McLean.

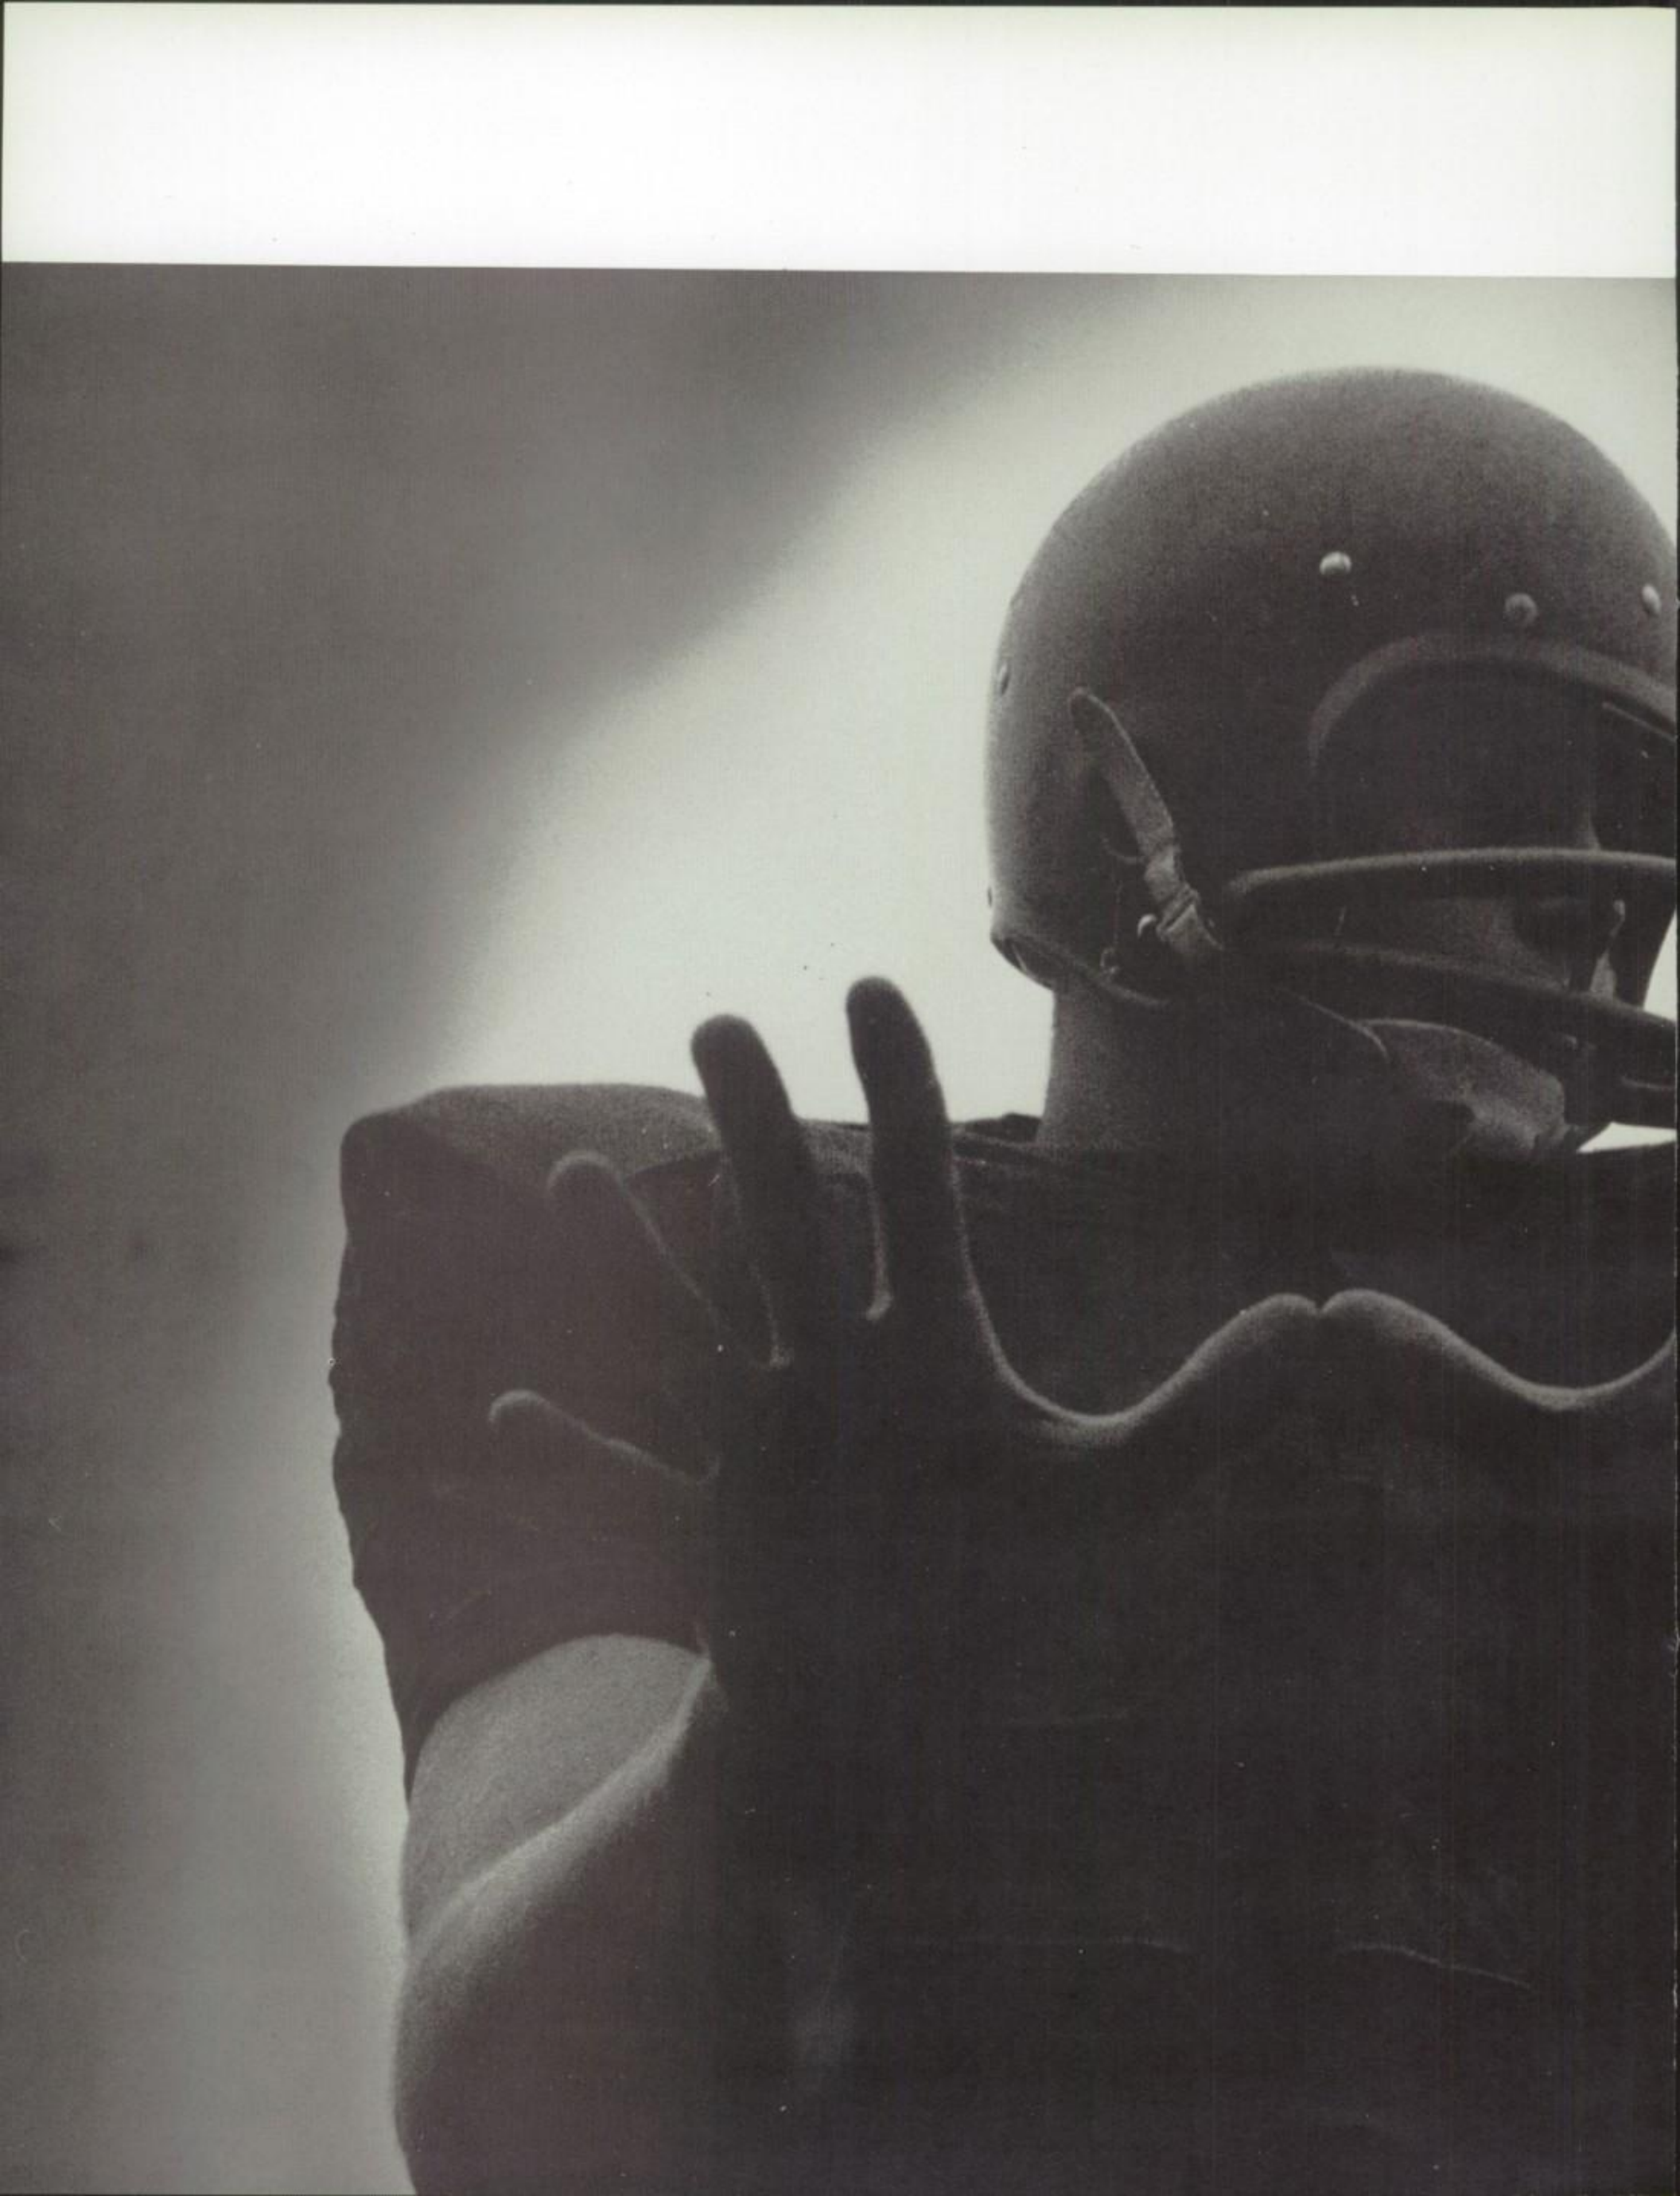

Go Hornets!

What is a Cheerleader?

A cheerleader has duties that are hers alone to fill.
 She's a girl who comes to practices, a girl who has a will.
 To fulfill responsibilities that come along each day.
 A girl who wants to serve her school in each and every way
 A girl who is neat and always sees that her uniform is clean.
 A girl who's conscientious and who's always on the beam.
 A girl who studies hard and keeps her grades at least a C,
 For if she doesn't, she knows then a cheerleader she'll not be.
 A girl not out for glory, who's just there to help her team.
 Who always wants the best for them, who's always had a dream
 That her team will win in every game in which they ever play,
 If not by scoring higher, then in some other hidden way.
 A girl who gives deep meaning to such things as sportsmanship.
 A girl who quells the slightest boo with a finger to her lip.
 A girl who feels her school in her is such a great big part,
 A girl who will always have a place for Enumclaw in her heart.

Homecoming, a Dream of Fantasy and Reality

HOMECOMING COURT. **Left to right:** Len Hanson, Anne Hoffman, Pete Biege, Joliene Alsgaard, Queen Gayle Heidenrick, King Gordy Gunderson, Gail Halkjar, Don Remien, Princess Mary Kay McLean, Prince Mark McDougall.

The excitement and suspense of Homecoming 1967 began to mount with the announcement of the twenty semi-finalists for the Homecoming Court. Out of these twenty, five boys and five girls were selected by the student body to present themselves to the five judges on the day of the assembly, November the 3rd.

The five judges were chosen from out of town to insure complete fairness toward the candidates. The candidates were Anne Hoffman, Joliene Alsgaard, Gayle Heidenrick, Mary Kay McLean, Gail Halkjar, Pete Biege, Lenard Hanson, Gordy Gunderson, Mark McDougall, and Don Remien.

The assembly for the final crowning of the royalty was carried out with great dignity and pride to the final moment — Enumclaw High School's Homecoming Queen of 1967 was Gayle Heidenrick. She was crowned by the queen of 1966, Mary Suhovernik. Accompanying Gayle on the royal throne was King Gordy Gunderson. Their First Princess was Mary Kay McLean and First Prince was Mark Mc-

dy Gunderson, Gail Halkjar, Don Remien, Princess Mary Kay McLean, Prince Mark McDougall.

Dougall. The assembly was conducted well by our fine Mistress and Master of Ceremonies, Betsy Farman and Fred Gramann.

That evening a capacity crowd attended the Homecoming game at the Pete's Pool stadium. The game with Sumner ended in a 0-0 tie, but, nevertheless, with the team's fine ball playing and sportsmanship, it was very engrossing and thrilling.

The climax of the Homecoming weekend began at 8:30 Saturday evening, with the "Arches of Triumph," theme of the Homecoming dance. As the couples began to drift in, it was obvious to see that it was a dance of many different types of people, and this was one of reasons it was so successful.

Creating the throbbing pulse for the dance was "Him and a Few Others," a group with a touch of humor as well as talent. Then, as hungry stomachs and tired feet began to cry out, the young adults and the honored alumni of 1942 and 1967 went their separate ways to enjoy the rest of the long-remembered evening of Homecoming 1967.

Grid Title Lost in Mud

Starting the football season with a 7-0 victory over their arch rival White River, the Hornets felt they were on their way to the Seamount League Championship until the rainy night of October 27 when they lost 0-7 in a sea of mud at Peninsula.

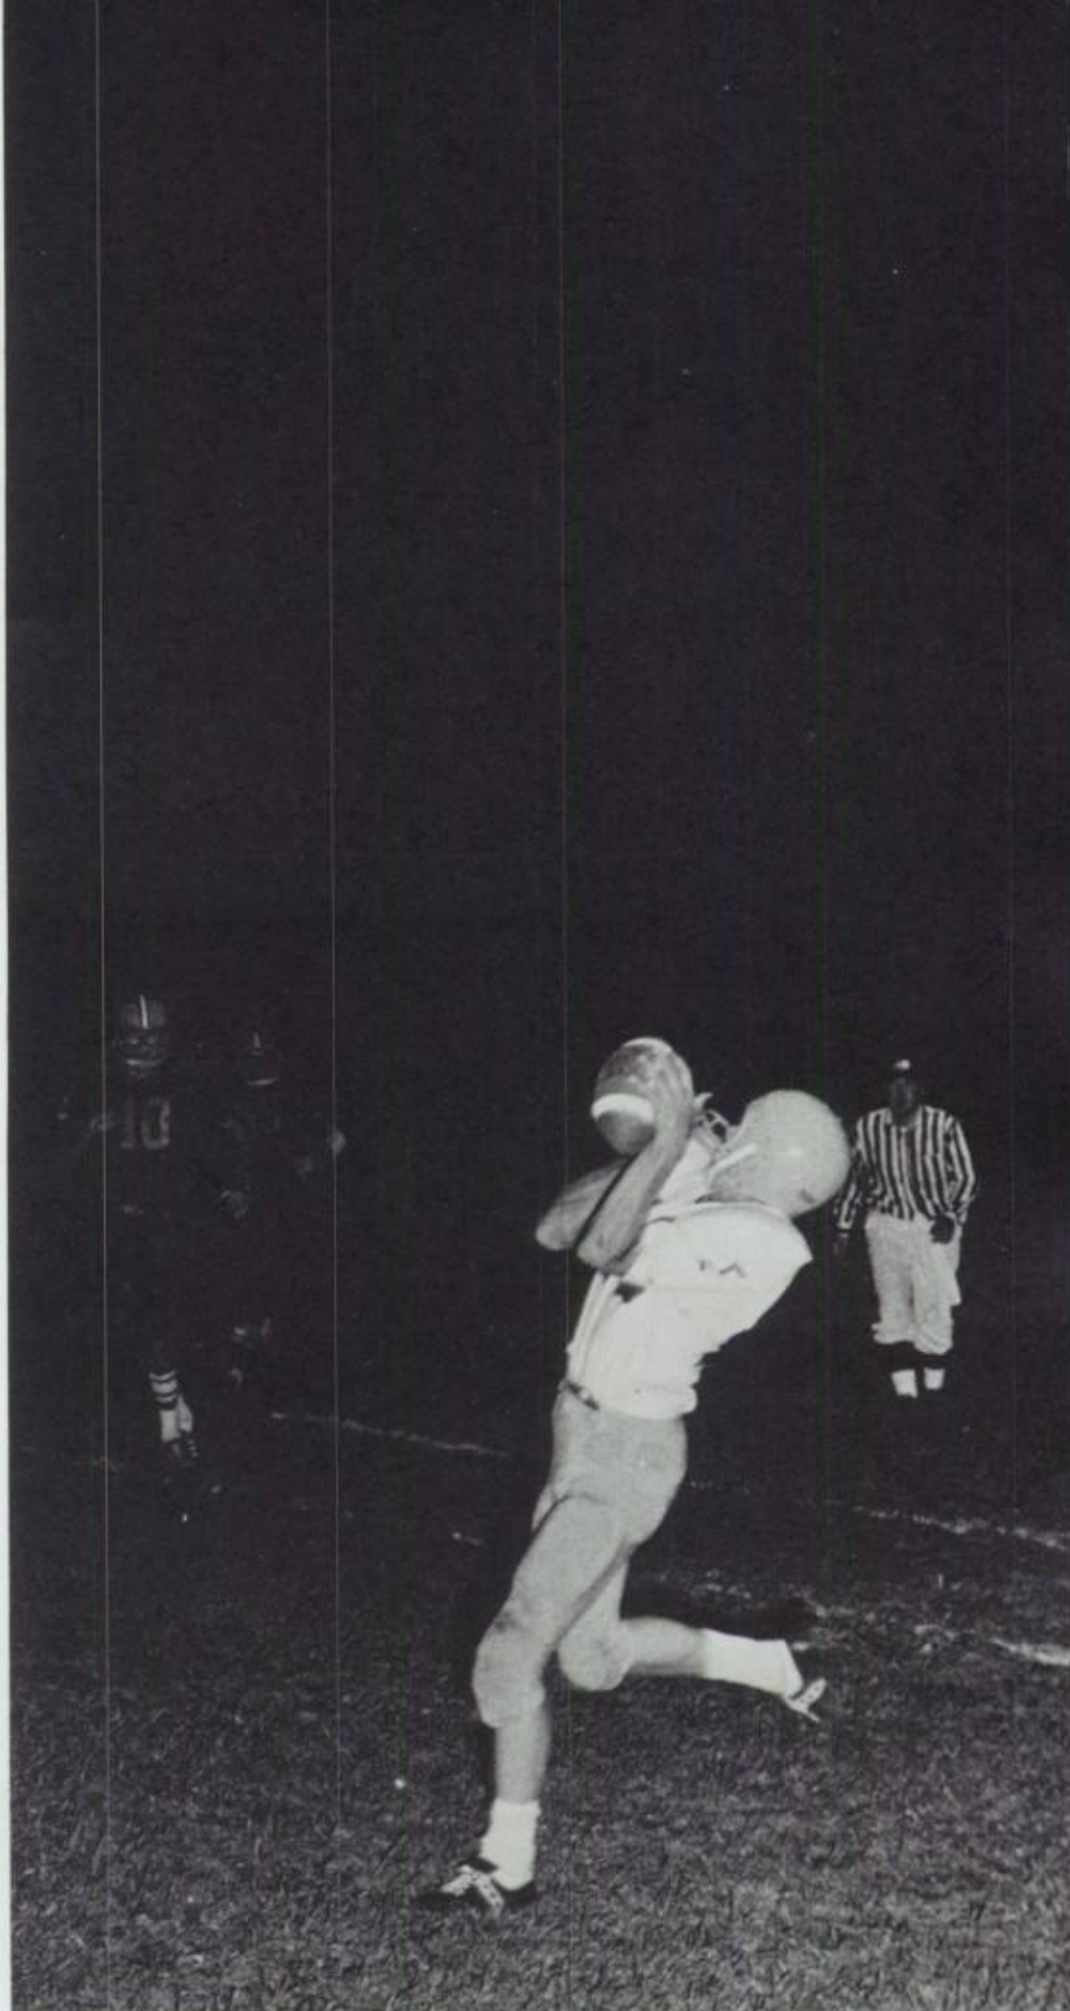

After the White River win, the high-spirited Hornets went to their next two games feeling confident that a victory would be theirs. After losing to Foster 0-12, the Hornets were determined to beat Central Kitsap, but the score never changed after each team made a touchdown, leaving the score at 7-7. Next the Hornets were upset by Bethel 15-6, giving the Braves their only victory of the season.

The Hornets tried their best against the league champion Fife team, but couldn't score and lost the game 34-0. The team forgot the Fife game and looked ahead, knowing they had to win their next two games to have a chance at the championship. They never gave up against the Curtis team and came out on top 13-7.

Now all the team's hopes lay on the Peninsula game. The night before the game, it rained so hard the field was almost unplayable. With no experience in playing such conditions, the Hornets lost their chance at the championship 7-0.

The Homecoming game with Sumner and the last game of the season with North Thurston, proved to be two of the hardest fought games of the season. In both games neither team could score and both games ended in a 0-0 tie.

With one-third of their games ending in ties and only two wins, the Hornets found the season a tough one.

Taking the football awards this year at the Fall Sports Banquet were Tom Hale Best Lineman, Don Maks and Tom Watterson Co-Captains, and Gordy Gunderson Best Back and Inspirational Award.

Jayvees Sting Opponents; Win Six, Lose Two

The mention of a Jayvee game this season was nearly the same as talking about victory. A tally of the records shows the Jayvees winning every game except two heartbreakers, both 6-7 decisions. Five times leaving the opposition scoreless, the team showed prowess and desire in every game, and indicated a terrific up-coming year. The Jayvees were coached by Jon Belcher and Bob Estby, and the elected co-captains were chosen before the beginning of each game.

Cross Country Team Swift and Sure

The Cross Country team fought hard every meet this year, and their determined efforts yielded a second-place finish in the League standings and a fine 6th place finish in Enumclaw's division of the state meet. The state meet attracted 141 entrants, and EHS runners crossed the line in the following order: Steve Van Wieringen 15th, Dennis McPherson 33rd, Charles Lewis 50th, Lee Belfield 67th, Warren Halcott 95th, Jeff Schultz 96th and Terry Montgomery 113th.

Steve Van Wieringen was never worse than second in league competition and was third in the league meet. Dennis McPherson and Terry Montgo-

mery were co-captains, and Steve Van Wieringen received the Inspirational Award for Cross Country. Frank Lancaster coached the team.

Thirteen runners received varsity letters: Lee Belfield, Charlie Lewis, Warren Halcott, Terry Montgomery, Ken Burrell, Ron Edwards, Steve Van Wieringen, Dennis McPherson, Jeff Schultz, Martin Spalding, Brian Milliken, Gary Osborne, and Jack Barrie.

The J.V.'s went undefeated the entire season, winning thirteen straight meets. What competition they did encounter came from Curtis, whom they out-ran by a comfortable five points.

Dennis McPherson lopes smoothly in workout for a meet with Tumwater.

Golfers Sparkle in League Play

The Hornet golf-pros clubbed their way near the top of the Seamount Standings again this year, ending up a close second to Sumner and Curtis. The team suffered only three losses in the league competition, winning the other nine meets. They were beaten by Foster (45-47), Curtis (51-59), and North Thurston (47-51). They had a season-total of 620 points to 507 points for their opponents.

The Seamount Medalist Tournament was won by North Thurston (438) with Enumclaw second, losing by only four strokes (434). The tournament scores were as follows: Brad Okeson 86, John Blair 89, Bruce Strom 91, Pete Biege 85, and Phil Biege 87. Topping the average points per match was Brad Okeson with 11.4. The other averages were: Pete Biege 10.5, John Blair 9.2, and Bruce Strom 8.1.

There was no J.V. team this year. Those receiving varsity letters were: Brad Okeson, Pete Biege, Bruce Strom, John Blair, Dale Rasmussen, and Phil Biege. Mr. Borreson coached the golf team.

Teamwork Pays in Hornet Basketball Success

The 1967-68 Basketball season is over. Eleven Hornets leave the team by having one of the best years since 1953. In '53, when Enumclaw and White River were one club, their efforts were great enough to win 24 games and lose only 5. This season the Hornets had a 12-6 record and placed 5th

in the Seamount League.

During the season the senior Hornet varsity broke the old scoring record five different times. The old record of 75 points, made against Mt. Rainier of the PSL in 1965, was equalled in the first game of the season against Peninsula. Scores over the record were: 75-56 against White River, 80-57 against Peninsula, 82-49 over Foster, 85-62 over Tahoma, and an unbelievable 99-43 over White River.

The high scoring was helped along by four members of the team who averaged over 10 points per game. They were Pete Biege, 16; John Ziltener, 12; Dale Rasmussen, 11; and Ed Prince, 10.

Against Sumner and Fife, the two top teams who went to state tournaments, the Hornets looked both good and bad. In an early season game Sumner squeaked by EHS by only two points, but won by 12 points in the league encounter. The Hornets beat Fife by 5 points in a practice game but lost by 9 in the league game.

Despite losing an all-senior varsity squad, Coach Gary Radliff's prospects for next year are bright. This year's JV showed promise in winning 12 games, and an all-sophomore team gained experience by winning 6 and losing 4.

BASKETBALL COACHES: Frank Lancaster, J.V.; Gary Radliff, varsity; Frank Osborne, sophomore.

TOP AWARDS: Ed Prince, Inspirational Trophy; Pete Biege, Captain's Award.

Right: Dale (Zodie) Rasmussen sinks a beautiful jumper to help the Hornets to a 73-61 win over Curtis.

Below: Higher, Higher ... Don Remien outjumps his Foster opponent to give the tip to the Hornets.

With 3:29 to go John Ziltener protects the Hornet lead by making the score 49-43.

Grapplers Learn to Take Defeat and Build Self-confidence

The 1968 season was the best ever for the Hornet grapplers. In the first match Enumclaw got off to a very bad start, losing to North Thurston, the 1967 League Champions, by the score of 51 to 3. But always determined to be tough, the Hornets proceeded to bounce back and bounce they did, winning the next five matches, all by substantial margins.

With a record of 5-3-0, the Hornets came to the last week of the season with a good chance for 4th place. Because of cancellations of regular matches, the team found itself wrestling three matches on three consecutive nights in the final week, winning one, tying a very exciting match with Sumner, and losing to Curtis for a 6th place finish.

In post-season action, the Hornets took 5th place in the 12 team subdistrict tournament with Barry Kombol winning a 1st place, Tim Bock and Paul Campbell taking 3rd place, and Tom Hale and Dan Bartoy placing 4th. Kombol placed 2nd in the district tourney, qualifying for state, where he lost his first match, 4-3.

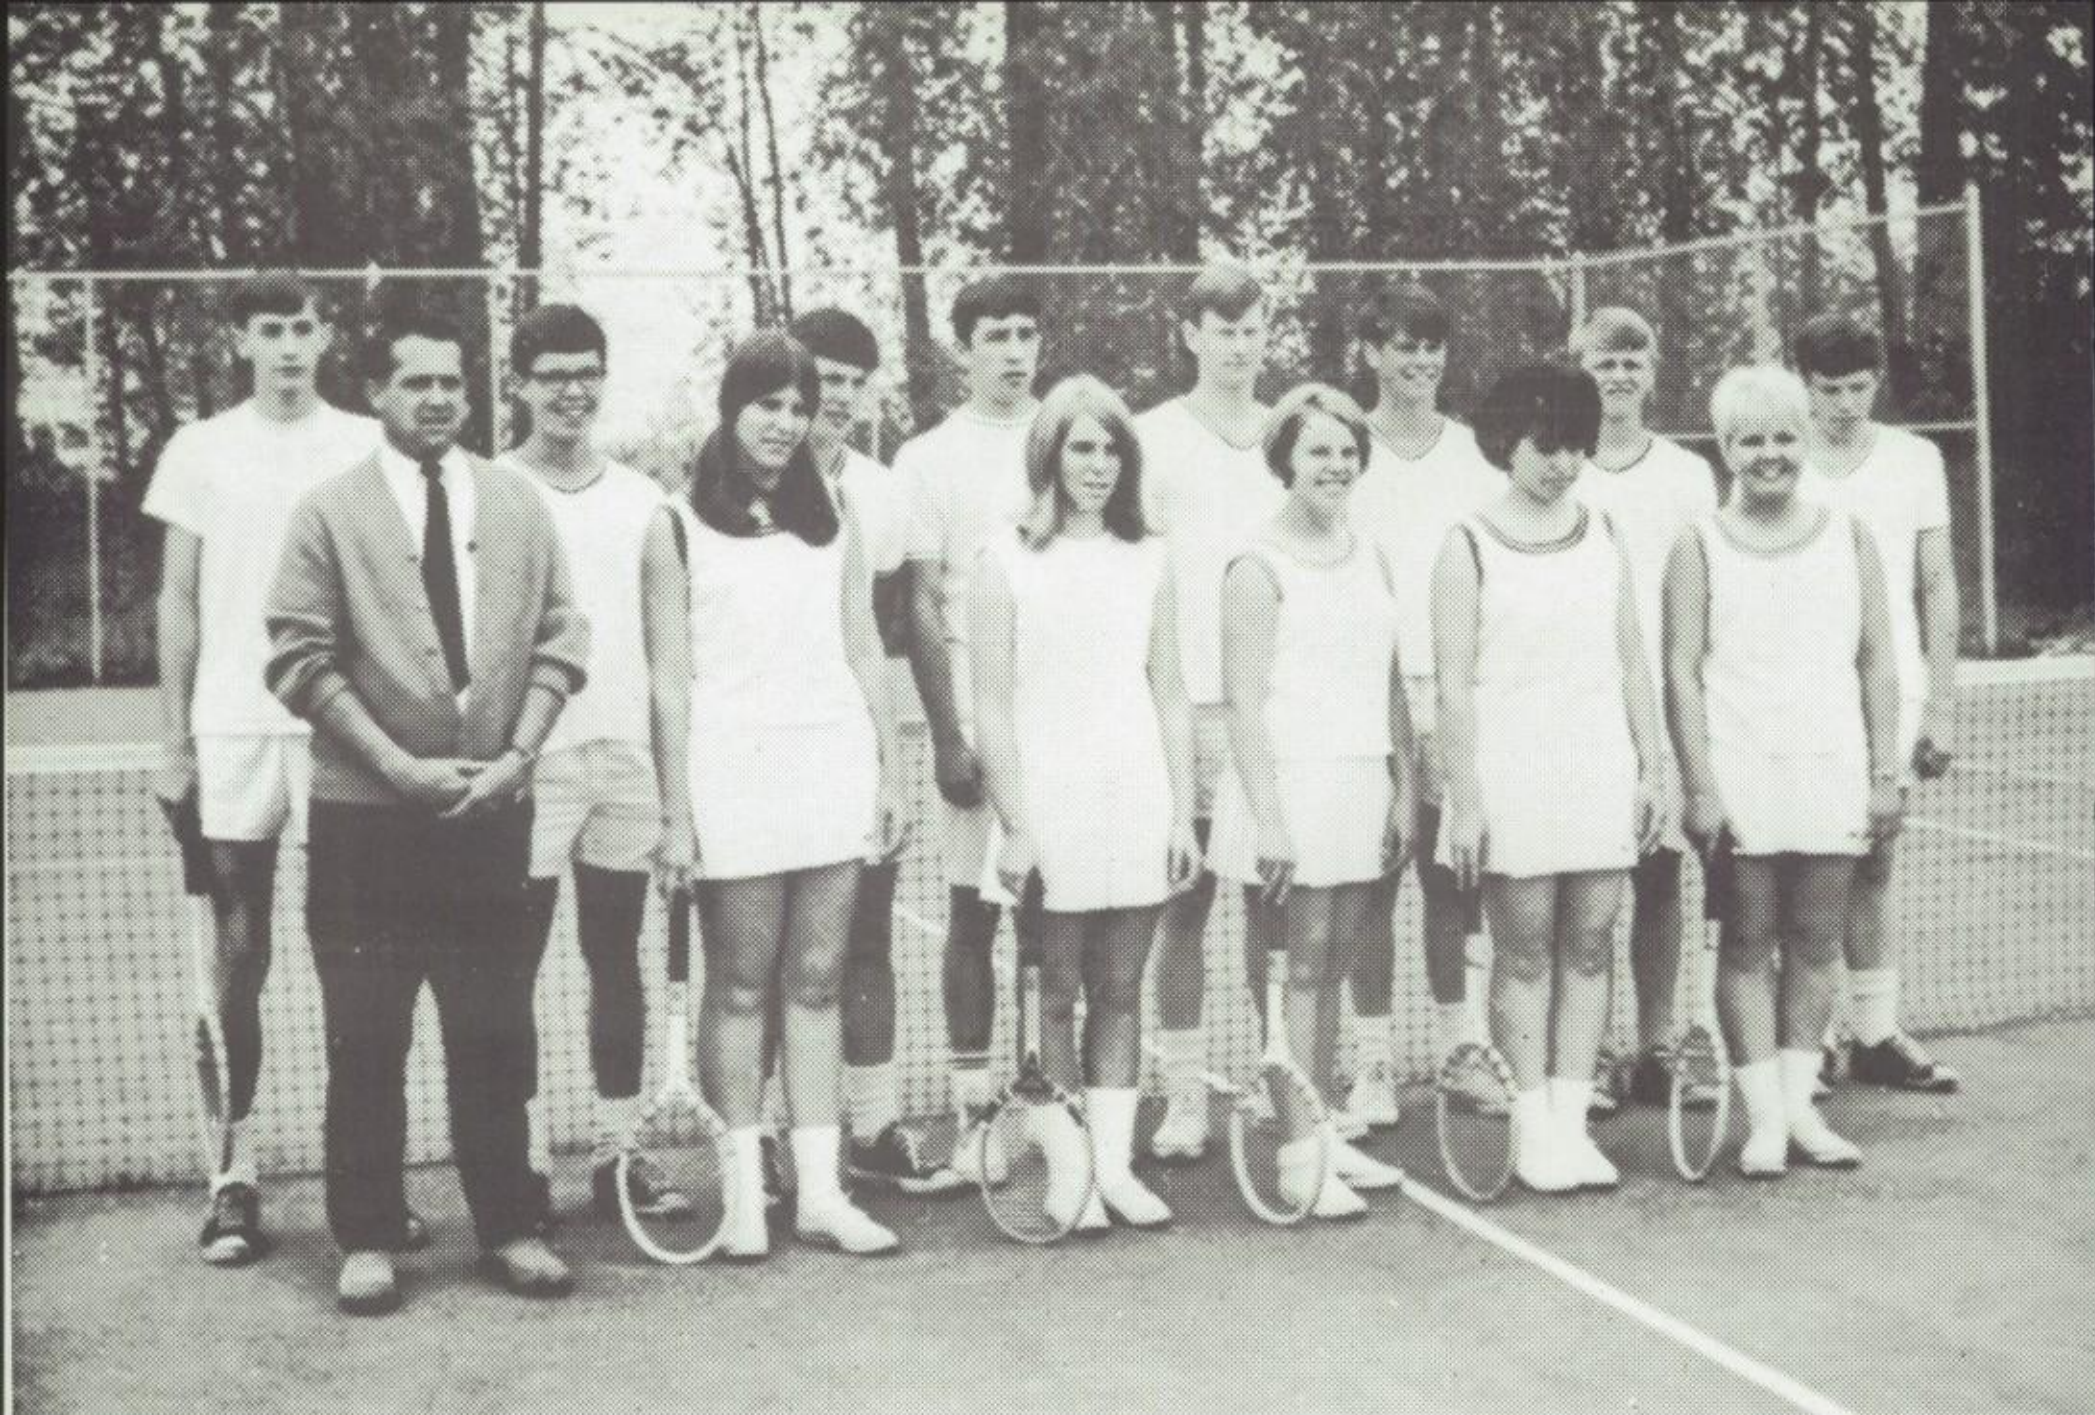

Leading all Hornet wrestlers this season was Barry Kombol, winning 16 during the season and sub-district. Following Barry with wins this season were Paul Campbell with 12 wins; Tom Hale, 10; and Terry Montgomery, 8.

The J. V. Team had an outstanding year by losing only one match and that was to unbeaten Fife J. V.

For the second time in as many years, the Enumclaw Hornet Tennis squad coached by Tommy Thompson, took the Seamount League crown by going undefeated through the league season. Since their entry into the Seamount League, the team has won twenty-two matches without a single loss.

In addition, Pete Biege, Dale Rasmussen, and Phil Biege qualified to compete in the State Tennis Tournament at Yakima. This was the result of taking firsts and seconds in the league finals held on our own courts.

With eight lettermen returning from this years championship squad, the team next year has a good chance of going through their third season undefeated.

The Enumclaw cinder men all in all had a very successful season this year, with members of the team breaking a few records and with two runners going on to district meets.

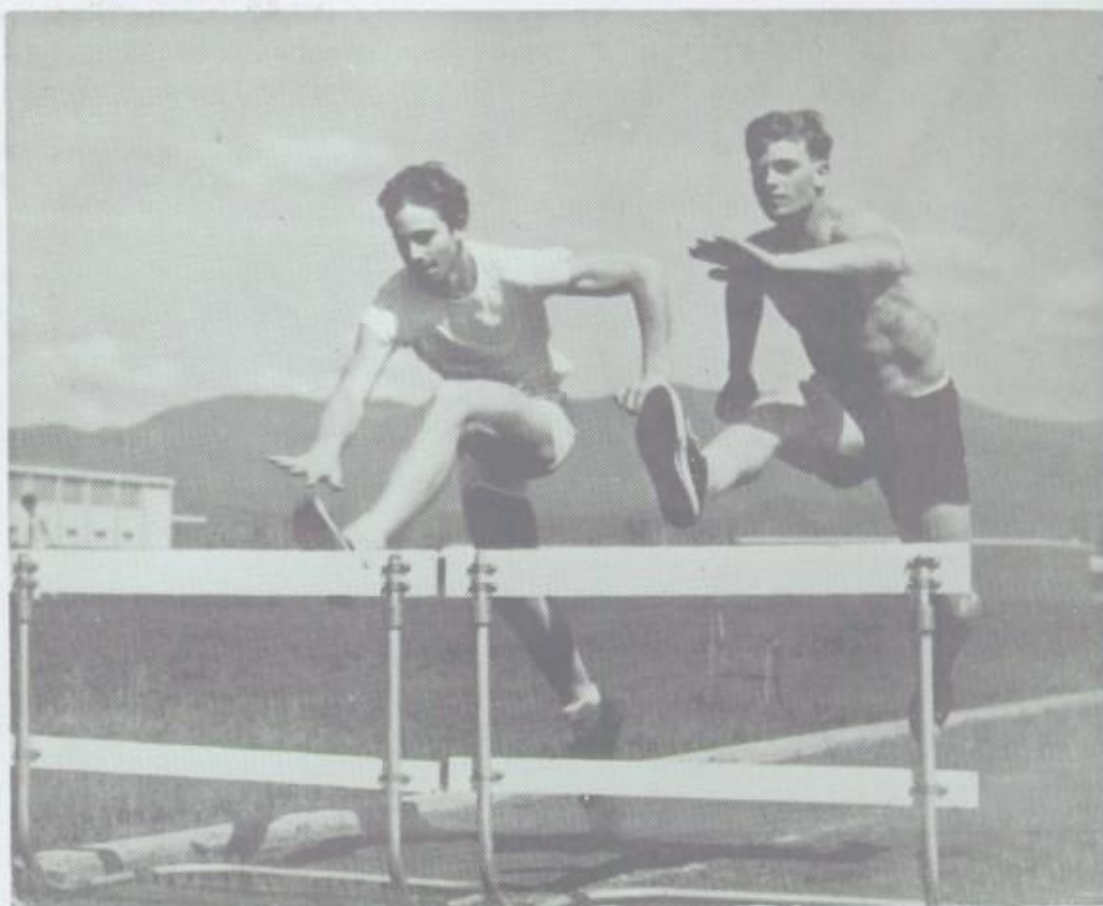

Tim Bock set a record for the javelin with a throw of 151 ft. 11½ in. At the Foster relays the Hornets had a great showing by taking first in the 2 mile relay, second in the mile relay, and third in the low hurdle relay. At the Kent Invitational first place winners for Enumclaw were Dave VanHoof in the 2 mile and breaking the old Kent field record of 10:19, and Steve VanWeiringen in the mile in a time of 4:43. Lee VanBuskirk took fourth place by pole vaulting 12 ft. Tom Watterson, John Osborn and the Mile Relay team also finished in good position. Both Dave Van Hoof and Steve VanWeiringen qualified for the West Central District.

The team ended up in seventh place in the final standing and should be given a lot of credit for their fine showing.

Determined Club Tried, Then Struck Out

Being the strongest team E.H.S. has supported in the last few years, the Hornets did an outstanding job against some very tough competitors. The club was in first place going into the Foster game, where they met a hard-hitting ball club and lost 1-2. The Hornets were in excellent shape and continued working hard the rest of the season. Having the team composed of mostly seniors, Coach Osborne played many of the experienced juniors and sophomores as well in varsity games.

The team had one of the best pitching staffs in the league this year. Don Henrichs pitched a number of 2 and 3 hitters, Gordy Gunderson almost pitched a no-hitter at Fife, and Ken Darby also pitched well. Don Remien, Len Hanson, and Doug Wagner were the top hitters for the team, all batting in the 300's.

Although the team was down-hearted because of missing first place on an error, they still ended up in fourth place in the league and showed a lot of spirit for E. H. S.

Juniors Qualify as Future Leaders of EHS

JUNIOR CLASS ADVISORS: Left to Right: Mr. Mitten, Miss Toshner, Mr. Vannatter.

JUNIOR CLASS OFFICERS: Left to Right: Dave Elder, vice-president; Kathy Berg, secretary; Sheena Baldwin, historian; Jeanna McConnell, treasurer; Doug Wagner, president.

Although the juniors remembered the activities they undertook as sophomores they looked forward to being the leaders of EHS next year.

With the strong leadership of its officers and advisors, the Juniors worked hard this year to pull themselves out of debt. One of their most successful projects was the selling of the Zip Code directories which brought in approximately \$150. The juniors also sponsored two after game dances. Among other money making projects was the traditional Junior Paper.

Not only were the juniors hot on money making projects, but they added strength to the varsity football team. Twelve juniors made the team. Many others participated in all other sports and activities as well.

The highlight of the Junior Class year was on February 10, the date for the Junior Prom. The theme, "Cherish" and music by the Blue Notes made it a night to remember.

The Junior-Senior Banquet brought a busy Junior Class year to an end.

Left: Beth Henrikson, Gail Langhorst, and Joey Rutherford show their talents in advanced P.E.

Cherish Is The Word

Above: The slow, dreamy music of the "Blue Notes" set the pace for the memorable evening of the Junior Prom.

Left: The '68 Prom wouldn't have been such a success without the assistance of Mr. Vannatter.

Below: Len and Nanc, Mike and Deb shown here are wishing for the best.

CASCADIAN — 1968

It's finished. Complete. This is the final product of one year of thought, work, anger, and a lot of fun and energy well spent. We have worked to bring back to you all the thought, work, anger and fun that you experienced during 1968 at Enumclaw High School. For some of you, it will be your first CASCADIAN, while for others it will be your last. Whoever receives it, we want you to know we made this book of memories for you — the students of E.H.S., and we ask that you think of all the people who made it possible for you.

Our staff was everything we ever could have asked for. They were very willing and capable of thinking up new ideas and making them fit into CASCADIAN — 1968. Bert Perler Studios and the E.H.S. photographers also gave their all to produce some of the finest pictures ever put into a CASCADIAN. Our advisor, Mr. G. Campbell, and Mr. Jim Palm of the American Yearbook Company, gave us the knowledge of how and when pages must be done and remedied every problem which arose throughout the year. We would also like to thank the administration of E.H.S. and the businessmen of Enumclaw for their cooperation and support of the CASCADIAN. Most of all, we give our deepest appreciation to the United States Department of Defense and the men of Fort Lewis for supplying the very moving pictures for our dedication which helped immensely to bring out the theme of our book — Time and Peace.

CASCADIAN — 1968. Here it is. Enjoy yourself, and again . . . Thank you.
